

FINANCIAL MANAGEMENT

Public Consulting Group (PCG) has proven experience assisting state, county, and municipal governments to improve their financial management performance.

FINANCIAL MANAGEMENT

Public Consulting Group (PCG) has proven experience assisting state, county, and municipal governments to improve their financial management performance. Our consultants are experts at helping distressed or mismanaged financial operations to return to a level of fiscal vitality. PCG understands that each client requires a tailored approach that fits the needs of the agency and that is grounded in core financial management principals. These principals provide a path to improved outcomes and process for our clients.

PCG SERVICES:

Call on PCG to assist your organization with:

Business Process Functions: PCG helps clients identify and document their current business process. Our staff are experts at identifying weaknesses in the system and providing improvements to the business process flow.

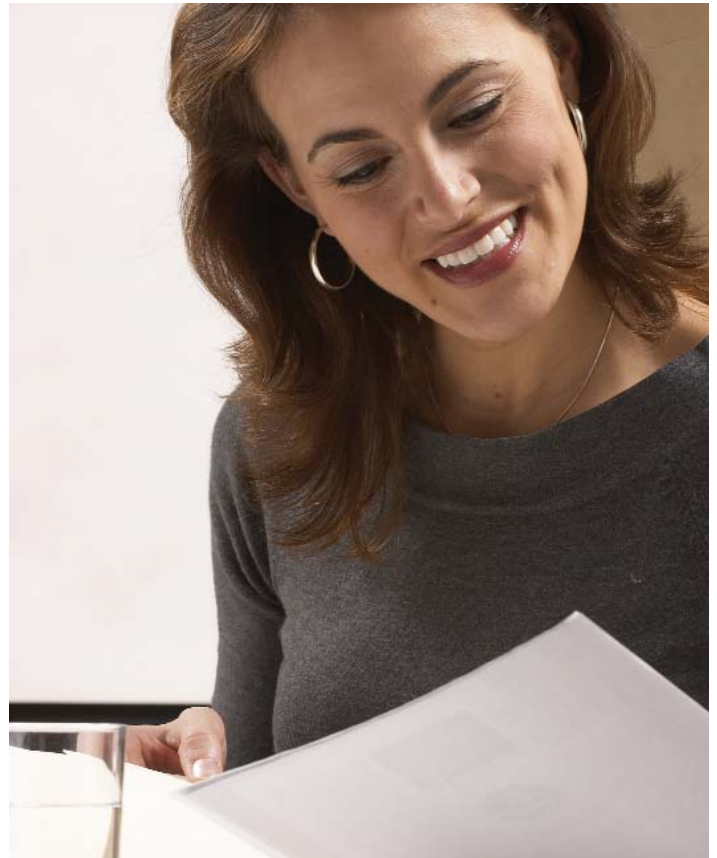

Revenue/Expense Reporting: Clients often face challenges to producing timely and accurate financial reports. PCG helps clients leverage existing systems and resources to produce financial reports.

Budget Assistance: The regulatory environment is often cumbersome and complex, requiring a unique set of skills to navigate effectively. PCG assists clients to prepare annual budgets that comply with all federal, state, and/or local funding rules and regulations.

Value Based Purchasing: PCG has assisted numerous clients with ideas to improve purchasing strategies.
